License in Music Education

Admission. Students wanting to be admitted to the teacher education program must have a 2.75 grade point average in the major, in the professional education core, and overall, with no grade less than C- in the content area and the professional education core as well as having passed PRAXIS I or achieve State Board of Education-approved SAT or ACT scores. Although students may enroll in a limited number of education courses, passing PRAXIS I scores or approved equivalent test scores must be on file with the Office of Teacher Education Services and advising prior to enrollment in any education practicum course or courses in developing instructional strategies. It is recommended that students take the PRAXIS I exam prior to, or during, enrollment in ECI 301.

Continuance. Students must maintain an overall grade point average of 2.75 and 2.75 in the academic major and the professional education core, and complete all degree requirements for the major and in the professional education core with no grade less than a C- for continuance in the College of Education. In order to obtain a Virginia teaching license, all teacher education students must attain passing scores on the appropriate PRAXIS II specialty area tests. A list of the passing scores established by the Virginia Department of Education is available on the Virginia Department of Education website or the Office of Teacher Education Services and Advising, Education Building room 152. The PRAXIS II Music Content Examination (this test is for vocal and instrumental music candidates) must be passed before the candidate may begin the teacher internship. Passing PRAXIS II scores must be on file in the Office of Teacher Education Services and Advising prior to student teaching.

Graduation. Requirements for graduation include passage of the Exit Examination of Writing Proficiency; completion of the Senior Assessment; a minimum 2.75 grade point average overall, in the major, and in the professional education core, with no grade less than a C- in the major, minor, and professional education core; and completion of a minimum of 127 credit hours.

NOTE: Due to changing University requirements, national accreditation standards, and Commonwealth licensure regulations, the programs in the Darden College of Education are under constant revision. Any changes resulting from these factors supersede the program requirements described here or in the University catalog. Students should obtain current program information from their academic advisor and the Darden College of Education website at <http://www.education.odu.edu>.
