

**BACHELOR OF SCIENCE—Health Physical Education Major**  
**OLD DOMINION UNIVERSITY**  
**2006-2008 Catalog**

**NAME:** \_\_\_\_\_  
**UIN:** \_\_\_\_\_  
**PHONE:** \_\_\_\_\_

Students earning the AS, AA, or AA&S (or university parallel) degree from a Virginia Community College automatically satisfy the lower division general education requirements. **General Education courses marked with \* require a grade of C or better to transfer. The remaining lower division courses are automatically satisfied by the AS (including foreign language), regardless of the grade earned.** Additionally, courses in which a grade of C- or below were earned will not transfer. Therefore Community College degree holders who meet the General Education requirements may require additional credits to meet the 120 credit hour graduation minimum. **(AS=Associate degree)**

Entrance Writing Sample Placement Test: \_\_\_\_\_

**Admission.** Students applying to the PreK-12 health and physical education teacher education program must have a 2.75 grade point average overall, in the major, and in the professional core. Additionally, student must earn at least a grade of C- in all courses taken in the content area and the professional education core; must pass the PRAXIS I exam or SAT or ACT, bases on the Commonwealth of Virginia standard by the end of the sophomore year and complete the Office of Teacher Education Services application to be accepted into teacher education. Although students may enroll in a limited number of education courses, admission into the teacher education program and passing PRAXIS I scores or approved equivalent test scores must be on file in the Teacher Education Services Office prior to a student enrolling in any professional education practicum course.

**Continuance.** Students must maintain a general grade point average of 2.75 for teacher licensure in the academic major and complete all degree requirements for the major and in the professional education core with no grade less than a C- for continuance in the College of Education. Candidates must pass the PRAXIS II test of Health and Physical Education Content Knowledge Form 0856 prior to the teacher internship. Score reports of all examinations must be on file in the Teacher Education Services Office in room 152 of the Education Building before a student can begin the teacher candidate internship (student teaching).

**Assessments required for teacher education programs and licensure.** In order to obtain a Virginia teaching license, all teacher education students must attain passing scores on the appropriate teacher licensure exams. Students who complete their programs after December 1, 2006 are required to take the Virginia Communication and Literacy Assessment (VCLA) to be eligible for licensure. The VCLA should be taken during the semester of student teaching. It is recommended that the VCLA be taken after students have completed their English and reading course requirements. In addition, all students must take and pass the Exit Examination of Writing Proficiency to be eligible for student teaching. The University recommends that students take this exam in their junior year. All students will take and attain a passing score on the appropriate PRAXIS II specialty test in order to be eligible for student teaching and licensure. Score reports of all examinations must be on file in the Teacher Education Services Office in room 152 of the Education Building.

**Graduation.** Requirements for graduation include passage of the Exit Examination of Writing Proficiency; completion of the Senior Assessment; a minimum 2.75 grade point average overall, in the major, and in the professional core with no grade less than a C- in the major, minor, and professional education core; a passing grade in student teaching; and completion of a minimum of 120 credit hours. If a student does not qualify for the teacher candidate internship (student teaching), the student must complete a 12-credit internship experience to graduate with a non-teaching degree in health and physical education.

NOTE: Due to changing University requirements, national accreditation standards, and Commonwealth licensure regulations, the programs in the Darden College of Education are under constant revision. Any changes resulting from these factors supersede the program requirements described here or in the University catalog. Students should obtain current program information from their academic advisor and the Darden College of Education website at <http://www.education.odu.edu>.

The curriculum is as follows:

**LOWER DIVISION GENERAL EDUCATION**

	<b>Credits/Grade</b>
Written Communication	6 _____
Oral Communication (requires Comm 101R)	3 _____ *
Mathematics	3 _____
Foreign Language	0-6 _____
Computer Skills (satisfied by PE 406 in the major)	_____
Fine and Performing Arts (GEN 101 may be used)	3 _____
History (HIST 104H preferred or GEN 101 may be used)	3 _____
Literature (GEN 101 may be used)	3 _____
Philosophy (GEN 101 may be used)	3 _____
Natural Science and Technology	_____
BIOL 108N required	4 _____ *
BIOL 109N required	4 _____ *
Technology course requirement satisfied in the major by EXSC 322	_____
Social Science (requires PSYC 201S)	3 _____ *

**Health and Physical Education Requirements**

BIOL 250 Human Anatomy and Physiology	4 _____ *
ECI 301 Social and Cultural Foundations of Education	3 _____ *
ECI 408 Reading Across the Content Area	3 _____
PE 200 Foundations of HPE	3 _____ *
PE 217 Fundamental Movement Skills and Dance	2 _____ *
PE 218 Aquatics and Outdoor Education	2 _____
