Due to changing University requirements, national accreditation standards, and Commonwealth licensure regulations, the teacher preparation programs in the College of Arts and Letters are under constant revision. Any changes resulting from these factors supersede the program requirements found on this curriculum sheet. Students should obtain current program information from their academic advisors and the Darden College of Education website at [www.education.odu.edu](http://www.education.odu.edu)

### **Art Education Licensure Only**

Candidates who have already earned an undergraduate degree in studio art or art history may seek licensure only. Information on applying for licensure can be obtained from the Darden College of Education or the art education program director. A minimum of 36 hours of art and professional courses (including student teaching) from Old Dominion University is required. Before registering for classes candidates must present a portfolio for review by the art education director. The director will determine which transferable courses will meet the cognate program requirements and which art and professional courses must be completed for licensure. A minimum cumulative grade point average of 2.75 is required for continuance and licensure.
