Students earning the AS, AA, or AA&S (or university parallel) degree from a Virginia Community College automatically satisfy the lower division general education requirements (marked with [AS] below). General Education courses marked with [\*] require a grade of C or better to transfer. The remaining lower division courses are automatically satisfied by the AS (including foreign language), regardless of the grade earned. Courses in which a grade of 'C-' or below were earned will not transfer. Therefore Community College degree holders who meet the General Ed. requirements may require additional credits to meet the 120 credit hour graduation minimum. [AS] = Associate Degree. These classes are satisfied by completion of the Associate's degree.
