

**BACHELOR OF SCIENCE—Health Physical Education Major  
OLD DOMINION UNIVERSITY**

**2008-2009 Catalog**

Students earning the AS, AA, or AA&S (or university parallel) degree from a Virginia Community College automatically satisfy the lower division general education requirements. **General Education courses marked with \* require a grade of C or better to transfer. The remaining lower division courses are automatically satisfied by the AS (including foreign language), regardless of the grade earned.** Additionally, courses in which a grade of AC-A or below were earned will not transfer. Therefore Community College degree holders who meet the General Education requirements may require additional credits to meet the 120 credit hour graduation minimum. (AS=Associate degree)

Entrance Writing Sample Placement Test: \_\_\_\_\_

**Admission.** Students wanting to enroll in the teacher education program must have a 2.75 grade point average in the major and overall, with no grade less than C- in the content area and the professional education core. Additionally, students must pass the PRAXIS I exam or SAT or ACT, bases on the Commonwealth of Virginia standard by the end of the sophomore year and complete the Office of Teacher Education Services application to be accepted into teacher education. This must be done prior to enrollment in the 60<sup>th</sup> credit hour.

**Continuance.** Students must maintain a general grade point average of 2.75 for teacher licensure in the academic major and complete all degree requirements for the major and in the professional education core with no grade less than a C- for continuance in the College of Education. Candidates must pass the PRAXIS II test of Health and Physical Education Content Knowledge Form 0856 prior to the teacher internship and attach the scores to the internship application.

**Assessments required for teacher education programs and licensure.** In order to obtain a Virginia teaching license, all teacher education students must attain passing scores on the appropriate teacher licensure exams. Students who complete their programs after December 1, 2006 are required to take the Virginia Communication and Literacy Assessment (VCLA) to be eligible for licensure. The VCLA should be taken during the semester of student teaching. It is recommended that the VCLA be taken after students have completed their English and reading course requirements. In addition, all students must take and pass the Exit Examination of Writing Proficiency to be eligible for student teaching. The University recommends that students take this exam in their junior year. All students will take and attain a passing score on the appropriate PRAXIS II specialty test in order to be eligible for student teaching and licensure. Score reports of all examinations must be on file in the Teacher Education Services Office in room 152 of the Education Building.

**Graduation.** Requirements for graduation include passage of the Exit Examination of Writing Proficiency; completion of the Senior Assessment; a minimum 2.75 grade point average overall and in the major, with no grade less than a C- in the major, minor, and professional education core; completion of a minimum of 120 credit hours; and completion of an exit interview with the department chair.

NOTE: Due to changing University requirements, national accreditation standards, and Commonwealth licensure regulations, the programs in the Darden College of Education are under constant revision. Any changes resulting from these factors supersede the program requirement described here or in the University catalog. Students should obtain current program information from their academic advisor and the Darden College of Education website at <http://www.education.odu.edu>.

The curriculum is as follows:

**LOWER DIVISION GENERAL EDUCATION**

- Written Communication
- Oral Communication (requires Comm 101R)
- Mathematics
- Foreign Language
- Computer Skills (satisfied by HPE 406 in the major)
- Fine and Performing Arts
- History (HIST 104H preferred)
- Literature
- Philosophy
- Natural Science and Technology
  - BIOL 108N required
  - BIOL 109N required
  - Technology course requirement satisfied in the major by EXSC 322
- Social Science (requires PSYC 201S)

**Health and Physical Education Requirements**

- BIOL 250 Human Anatomy and Physiology
- ECI 408 Reading Across the Content Area
- ECI 430 PK-12 Instructional Technology
- PE 200 Foundations of HPE
- PE 217 Fundamental Movement Skills and Dance
- PE 218 Aquatics and Outdoor Education
- PE 220 Teaching of Team Sports I
- PE 221 Teaching of Team Sports II
- PE 222 Teaching of Individual Sports
- PE 224 Teaching Elementary Physical Education
- PE 300 Mgmt Skills for Teaching Hlth&PE in the Secondary School
- PE 301 Teach Phys Ed in Schools
- PE 318 Motor Learning
- PE 319 Physical Growth and Motor Dev
